AVIATION ELECTRONICS TECHNICIAN “O” LEVEL (AT)

RATING ROADMAP

08 Feb 2010
CAREER ROADMAP

Seaman Recruit to Master Chief Roadmaps

The educational roadmap below will assist Sailors in the Aviation Electronics Technician “O” Level community through the process of pursuing professional development and advanced education using various military and civilian resources e.g. PQS program; SMART Transcript; NKO (E-Learning); Navy College; etc. Successful leadership is the key to military readiness and will always require a high degree of technical skill, professional knowledge, and intellectual development.

What is a Career Roadmap for Aviation Electronics Technician “O” Level?

Aviation Electronics Technician “O” Level roadmaps are just what the name implies – a roadmap through the Enlisted Learning and Development Continuum from Seaman Recruit through Master Chief Avionics Technician. The principal focus is to standardize a program Navy wide by featuring the existing skills of Aviation Electronics Technicians necessary to be successful in the Navy. The ultimate goal of a roadmap is to produce a functional and competent Aviation Electronics Technician.

What is the Enlisted Learning and Development Continuum?

Enlisted Learning and Development Continuum is the formal title given to the curriculum and process building on the foundation of Sailorization beginning in our Delayed Entry Program through Recruit Training Command and throughout your entire career. The continuum combines skill training, professional education, well-rounded assignments, and voluntary education. As you progress through your career, early-on skill training diminishes while professional military education gradually increases. Experience is the ever-present constant determining the rate at which a Sailor trades skill training for professional development.

Do Sailors have to follow the Roadmap?

Yes. The Aviation Electronics Technician “O” Level roadmap includes the four areas encompassed by the Continuum in Professional Military Education to include; Navy Professional Military Education, Joint Professional Education, Leadership and Advanced Education.

Some training and education is mandatory (Recruit Training etc…). Some may be directed by your chain of command (Microsoft Excel and PowerPoint courses), and the remainder is voluntary (NKO, E-Learning, college courses, etc.). Sailors are advised to seek out mentors, including your Command Master Chief, Senior Enlisted Advisor, Leading Chief Petty Officer, Leading Petty Officer and Command Career Counselor, and to make use of your Base Navy College or Education Office vast resources. All are uniquely qualified to help you along the way.
I am a United States Sailor.
I will support and defend the Constitution of the United States of America and I will obey the orders of those appointed over me.
I represent the fighting spirit of the Navy and those who have gone before me to defend freedom and democracy around the world.
I proudly serve my country's Navy combat team with Honor, Courage and Commitment.
I am committed to excellence and the fair treatment of all.
AVIATION ELECTRONICS TECHNICIAN AIRMAN
(Apprentice)

8307- C-2A Systems OMA Maintenance Tech | Norfolk VA | C-102-2321 | 52 days

Note: NEC and courses listed are not all inclusive but cover some primary platforms for initial accessions. Please refer to the Catalog of Navy Training Courses (CANTRAC) and your Leading Petty Officer or CPO for further guidance.

JOB DESCRIPTION
Entry level aviation electronics technician at the Organizational level working directly in support of aircraft flight operations and maintenance. Working environment both ashore at major naval installations and afloat onboard aircraft carriers or air capable ships. Organizational level “AT” Airman are assigned to both fixed wing and helicopter squadrons. Primary duties will include, but are not limited to, on aircraft unscheduled maintenance of Radar and Radio systems as well as Electronic Countermeasures Systems and Weapons guidance and fusing systems. Periodic scheduled maintenance of all avionics systems in the aircraft are also your responsibility under direct supervision.
RECOMMENDED BILLET ASSIGNMENTS

Primary assigned billets for this Rate and paygrade are in fixed wing or rotary wing aircraft squadrons. Some possible platforms for billeting are as follows: F/A-18, E-2C, P-3, EA-6B, H-60, MH-53, C-2, E-6B. Possible duty stations locations include, but are not limited to, San Diego CA, Lemoore CA, Whidbey Island WA, Tinker OK, Norfolk VA, Oceana VA, Jacksonville FL, Pensacola FL, Corpus Christie TX, Atsugi Japan, Sigonella Sicily to name a few. Your Command Career Counselor and Leading Petty Officer or Chief will be able to outline in more detail the additional variety of duty assignments you can look forward to in your career.

FLEET RIDE:

Fleet RIDE is designed for Fleet use in support of Perform to Serve (PTS). Fleet RIDE assists Fleet Career Counselors,
Enlisted Community Managers (ECMs), and CREO personnel with reclassification and career guidance by providing the best
match of a Fleet Sailor’s qualifications and interests to meet Navy requirements for rating assignment/conversions.

- View and update all Sailor attribute data/rating eligibility criteria and force shaping tools within the Fleet RIDE
database
- Qualify the Sailor to view eligibility for any and All ratings
- View and add career counselor notes
- Request applicable data transfer to conversion packages (PTS Spreadsheet) with no retyping of data
- Fleet RIDE, in the PTS conversion process, contributes to the balance of Navy Rating skill mix and helps improve:
  - Community Management
  - Career opportunities for Sailors
  - Fleet readiness
  - Conversion process by reducing time and errors
  - Command CDB/PDBs process
  - Sailor-NC career counseling

COLLEGE COURSES AND DEGREES (See Education Section)
You are recommended to contact your local Navy College Counselor to map your college roadmap for a college degree. Here you will review with a counselor your previous college credits, SMART transcript and provide you guidance in the degree of your choice and steps which you need to take for completion of your goal.

NAVY PROFESSIONAL READING PROGRAM:

The purpose of the Navy Reading Program is to facilitate the professional and personal development of all sailors, seaman to admiral, active and reserve. Simply reading for pleasure is certainly encouraged, but the NPRP will facilitate reading material that may help develop skills and abilities that can be helpful in both your professional and personal lives.
